MERYL

Meryl Christa Arul (2015) is learning at Arunoday Montessori House of Children, Koramangala, Bangalore, South India. All her paintings are mere reflections of her varied activities observed, learned, picked up and practiced with the help of teachers, friends, parents and relatives. Meryl, as a child with careful observation sensitively portrays all the sensorial things that she has experienced around her. Her favourite places such as Bethel Baptist Church, Bangalore for learning biblical verses, AMHC, Bangalore for learning fine coordination, Adegodi Police Quarters Children's Park, Adegodi for free playing her imagination with mud and puddle and her little house with her parents for imitating every day Christian values have inspired her to try out and display her formative learning. This work of art will be her second book with dissemination of her learning outcome. Meryl can be contacted at arulgaspar@gmail.com.
